

Dear Dr. Lowe and staff,

I just wanted to take a moment and give you the world's largest THANK YOU for all that you have done for me! You have truly changed my life for the better and I am now seeing the light at the end of the road. Before we ever met, I was scared to death of the dentist office due to very rough past experiences. I would get severe anxiety and overwhelmingly nauseous before I ever even left my house; it was ridiculous! By the time my first appointment at Lifetime Dental Care rolled around, I was in a very depressed state of mind and not really a big fan of life at all, but I soon realized that a big part of those negative thoughts and emotions was due to the actual appearance of my teeth.

During my first visit, the one thing that I think impacted me the most was just the feeling of pure comfort while talking to my hygienist and then you came along being a goof ball singing and telling a joke and put a big smile right on my face. Ever since that day, I can honestly say that I have actually not had any of the previous feelings of anxiety before coming to visit you and my depression has gone down significantly. You and your staff have such a wonderful way of making me feel so relaxed and right at home when I come to visit and it truly makes a world of difference in my eyes.

If you didn't already know how much you have really changed my life, at my last appointment I had a pretty substantial amount of work done on my teeth. Before we got started, you had said, "I want to take before and after pictures today because you're going to walk out of here a brand new man". Well, you were right. When you were done, I just sat there in the chair and I could not stop staring in the mirror that you had given me. I was completely speechless! I'm telling you, I am not an emotional person, but I cried like a baby when I got home that morning. I could not even come close to remembering the last time my teeth have looked or felt this amazing!

Again, I want to give a massive thank you to you and your staff from the bottom of my heart for all that you have done for me! You guys have truly changed my outlook on life and I can't wait to see what the future has in store!

THANK YOU SO MUCH!

Much love,

Steven Vancil

-P.S. - I actually smile A LOT more now and I love my smile! 😊
